(Bedford, NH) – Governor Chris Sununu was in attendance on Tuesday, January 25, 2022 at the CENTER FOR WELLBEING for their official ribbon cutting ceremony at 18 Constitution Drive, Suite 2 in Bedford, New Hampshire. Also in attendance was State Senator Denise Ricciardi (R) and Bedford Town Manager, Rick Sawyer.

Governor Sununu gave his congratulations and said to the people in attendance,

"This will be a huge benefit to the Community. Sometimes we know what we should be doing, but

especially (now) with all this new information and... new options that are out there, having real experts that understand and can walk each of us on an individual path, of what those choices should be and how to manage them... for a lifestyle change, (that is) huge."

The Governor also said,

"People want to take control of (their health) and understand better what those choices are and again, making sure that it's sustainable and can be with them for years and years."

Senator Denise Ricciardi of District 9, gave a NH Senate Resolution extending its congratulations to the Center for Wellbeing in recognition of the Ribbon Cutting and to extend the Senate's best wishes for continued success.

The new Bedford location is an extension of the Center for Wellbeing at 3201 Lafayette Road, Portsmouth, New Hampshire and will provide most of the same services including: Metabolic Reset Weight Loss Program, Regenerative Medicine in the form of Regenerative Biologics, PRP Therapy, Knee Gel Injections and Allergy Testing/Treatment. The Bedford location is staffed with Nurse Practitioners, Medical Assistants and Health Coaches to serve the Bedford area. Virtual appointments are also available.
